

Organizations providing health care on the Central Coast of California are invited to this year's Cancer Resource Health Fair at Surfing for Hope Foundation's 8th annual benefit event. The Surfing for Hope Foundation's Longboard Surf Contest and Health Fair will be held on Saturday, October 2, 2021 from 10-2pm, in Pismo Beach, California. This event is designed to help inspire people challenged by cancer through the positive energy of surfing. During the contest there is a unique health fair at the pier with informative cancer related information and support groups represented (all prescreened by myself, Tom Spillane MD). Local bands donate their time for a lively event that draws many visitors to the area.

Our community here on the central coast are always generous supporters of this event and our cancer resource health fair always involves more than fifty of our local providers (as surf contestants as well as volunteers). Many of the nurses, pharmacists and ancillary providers are regular volunteers each year and actively participate in the day's events. All of our non-profit beneficiaries and cancer related support groups will be represented as well.

Most important in our mission is to educate and raise awareness of the myriad of resources available to patients as well as medical providers. All proceeds from Surfing for Hope will benefit the local cancer resources in San Luis Obispo, California. Since 2012, Surfing for Hope has raised more than \$450,000 to support local services such as the Hearst Cancer Resource Center and our own Pure Stoke Youth Camp, which provides monthly surf clinics for children of families affected by a family member with cancer.

*Your registration as a Cancer Resource Health Fair participant will include setup and breakdown of covered tent, a table and chair for your exhibit, and (2) tickets to the Benefit Dinner and Auction. **All you have to do is show up!***

All information for participants is available on our website surfingforhope.org under Cancer Resource Health Fair. Spots for \$1500 are still available, but space will be limited so we encourage you to reserve now. Thank you for your continued support, we could not have done this without you!
