IRS rules and regulations require that if you claim a deduction for noncash charitable contributions which total over \$500, you must attach IRS Form 8283 (Noncash Charitable Contributions) to your tax return.

If you donate over \$5,000 of property or similar items of property to one or more charitable organizations, you must obtain a qualified written appraisal of the donated property from a qualified appraiser if you intend to claim a deduction. Please note that Foundation must complete and sign Part IV of Section B of Form 8283 if the amount claimed exceeds \$5,000.

If within 3 years after the date of receipt of a contribution of property for which Foundation was required to sign Form 8283 on your behalf (i.e., donated property over \$5,000), the property is sold, exchanged, or otherwise disposed, Foundation must file an information return with the IRS on Form 8282 (Donee Information Return) and send you a copy of the form.
